ABOUT TEAM WENDY

Cleveland-based Team Wendy's mission is to research, design and develop the most innovative, purpose-built and impact-mitigating products and technologies on the market. It places a strong focus on research, particularly the causes and prevention of TBI. Founded in 1997 in honor of Wendy Moore, who died tragically from a TBI following a skiing accident, Wendy's name lives on today in the protective products and gear used by thousands worldwide, including the men and women of the United States Military.

In 2016, Team Wendy was named one of Northcoast 99's Best Places to Work in NE Ohio. We are a group of smart, hardworking individuals who like to have fun while doing work that helps to save lives. On a daily basis we aim to keep an open mind, constantly evaluate new information without bias, and always look for ways to improve our products, our touch points with our customers, our industry and our community.
